Subject: Request for Posting of TRANSCO's 2nd Regulatory Period Application with Energy Regulatory Commission (ERC)

Dear Mayor Cruz:

Greetings!

We would like to request the permission of the Honorable Mayor to post the attached Application/Filing of TRANSCO for the Adoption of an Alternative Rate Setting Methodology, at the Bulletin Board of Iligan City Hall, for at least two(2) days, starting today, if possible.

This is in compliance with the judicial requirement of the Energy Regulatory Commission (ERC), with regards to this application.

We would like to request further for a "Certificate of Posting", signed by a proper City Hall Official, stating that the said document had actually been posted.

We look forward to the favorable action of our request and thank you for the unwavering unrelenting support your Office had afforded to TRANSCO.

Best regards.

Very truly yours,
